About your insurance policy

Your policy is a legal contract between **you** and **us**. The contract is based on the information **you** gave **us** when **you** applied for the insurance, and any subsequent information which **you** have supplied.

Your policy is made up of this policy wording, any **endorsements** and **your policy schedule**. **You** should read all these documents together to tell **you** what **we** cover, what **we** exclude, what **we** pay to settle claims and other important information. **We** will not pay more than the **insured amount** specified in **your policy schedule**, unless **we** state otherwise in the **policy**.

The Policy Conditions listed on pages 15 to 18 and Claims Conditions listed on page 19 apply to the whole **policy** including any Extra Cover or **endorsement** unless expressly stated otherwise.

Subject to **you** paying the premium by the due date, **we** agree to insure **you** during the **period of insurance**. The commencement date and expiry date of the **period of insurance** is specified in **your policy schedule**.

Interpretation

Some words used in this **policy** have special defined meanings. These words are in **bold**. Most of the words **we** have defined are listed in the Definitions on pages 28 to 32.

Headings have been included for ease of reference only and the terms, conditions, provisions, exclusions of this **policy** are not to be construed, interpreted, or limited by any reference to such headings.

Communicating with you electronically

We may send **your policy** documents and **policy** related communications electronically. This will be by email and/or other types of electronic communication methods (e.g. SMS). **We** will obtain **your** express or inferred consent to do so.

Each electronic communication will be deemed to be received by **you** at the time it leaves **our** information system.

Part A: Important Information

Your duty of disclosure

Before **you** enter into an insurance contract, **you** have a duty to tell **us** anything that **you** know, or could reasonably be expected to know, that may affect **our** decision to insure **you** and on what terms.

You have this duty until **we** agree to insure **you**.

You have the same duty before **you** renew, extend, vary or reinstate an insurance contract.

You do not need to tell **us** anything that:

- ▼ reduces the risk **we** insure **you** for;
- ▼ is common knowledge;
- ▼ **we** know or should know as an insurer; or
- ▼ **we** waive **your** duty to tell **us** about.

If you do not tell us something

If **you** do not tell **us** anything **you** are required to, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to tell **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

Cooling off period

You have the right to return the insurance **policy** by notifying **us** in writing within thirty (30) days of the date it was issued to **you** ("cooling off period"), unless **you** have made a claim under the **policy** within the cooling off period.

If **you** return **your policy** during the cooling off period, **we** will return the amount **you** have paid (including GST if applicable) for the **policy**.

In addition, if **you** vary **your policy** (for example, by adding an **endorsement** or increasing the **insured amount**) **you** have the right to remove that variation within thirty (30) days of the date it was added by notifying **us** in writing ("additional cooling off period") unless **you** make a claim under the variation within the additional cooling off period.

If **you** remove the variation during the additional cooling off period, **we** will return the amount **you** have paid (including GST if applicable) for that variation.

To cancel **your policy** at other times, please see "Cancellations" on pages 5.

The amount of your premium

The premium is the amount **you** pay **us** for this insurance. It includes stamp duty, GST and any other government charge or levy that applies. **Your** premium is shown on **your policy schedule**.

The premium does not include any service or administration fee charged to **you** by **your** insurance intermediary.

In addition to the factors **we** use to calculate **your** premium, the discounts **you** qualify for also affect **your** premium. **Your** premium includes any discounts **you** qualify for and these are applied before adding applicable government charges. **We** might also advertise special short term offers and benefits from time to time.

Paying your premium

We will tell **you** how much **you** have to pay and how much time **you** have for payment.

You must pay **your** premium by the due date. For the first **period of insurance**, if **you** do not pay the premium owing by the due date, **we** can cancel **your policy**.

For renewals of policies paid annually, if **you** do not pay **your** premium by the due date, then **you** have no cover from the due date.

If **you** change **your policy**, **you** may be entitled to a partial refund of premium or be required to pay an additional premium.

Cancellations

You can cancel **your policy** at any time. **You** can specify a future date from which **you** would like to cancel **your policy**. If **you** do not specify a date then the cancellation takes effect on the date **we** receive **your** request. If **you** cancel **your policy**, **we** will refund the proportion of **your** premium for the unexpired **period of insurance** (including GST if applicable), less any non-refundable government charges, provided the refund is more than \$10 (GST inclusive).

We can cancel **your policy** when the law allows **us** to. If **we** cancel **your policy**, **we** will refund the proportion of **your** premium for the unexpired **period of insurance** (including GST if applicable), less any non-refundable government charges, provided the refund is more than \$10 (GST inclusive). If **we** cancel **your policy** due to fraud, **we** will not refund any money to **you**.

Excess

This is the amount **you** have to pay if **you** suffer loss, damage or incur liability which leads to a claim under **your policy**. The **excess** that applies to **your policy** is specified in **your policy schedule**.

Fraudulent claims

If **you**, or anyone **you** authorised to act on **your** behalf, or with **your** knowledge or consent, makes a claim that is false deliberately, **we** may do one or more of the following:

- ▼ refuse to pay a claim;
- ▼ cancel **your policy**; or
- ▼ take legal action against **you**.

Part D: Other information

How the Goods and Services Tax (GST) affects this insurance

The premium will include an amount of GST.

You must tell **us** about the **input tax credit** (ITC) **you** are entitled to for **your** premium and **your** claim, each time **you** make a claim. If **you** do not give **us** this information or if **you** tell **us** an incorrect ITC, **we** will not pay any GST liability **you** incur.

Our liability to **you** will be calculated taking into account any ITC to which **you** are entitled for any acquisition which is relevant to **your** claim, or to which **you** would have been entitled had **you** made a relevant acquisition.

In respect of **your policy**, where **you** are registered for GST purposes **you** should calculate the **insured amount** having regard to **your** entitlement to **input tax credits**. **You** should, therefore, consider the net amount (after all **input tax credits**) which is to be insured and determine an **insured amount** on a GST exclusive basis.

This outline of the effect of the GST on **your policy** is for general information only. **You** should not rely on this information without first seeking expert advice on the application of the GST to **your** circumstances.

"GST", "input tax credit", "acquisition" and "supply" have the meaning given in A New Tax System (Goods and Services Tax) Act 1999.

Financial Claims Scheme

This policy may be a "protected policy" under the Federal Government's Financial Claims Scheme (FCS) which is administered by the Australian Prudential Regulation Authority (APRA).

The FCS only applies in the unlikely event of an insurer becoming insolvent and the Federal Treasurer making a declaration that the FCS will apply to that insurer.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer to be paid certain amounts by APRA.

Information about the FCS can be obtained from www.fcs.gov.au

General Insurance Code of Practice

We support and adhere to the General Insurance Code of Practice. **You** can get a copy of the Code from the Insurance Council of Australia website (www.insurancecouncil.com.au) or by phoning (02) 9253 5100 or 1300 728 228.

Updating information

The information in this **PDS** and Policy Wording was current at the date of preparation. **We** may update some of the information in the **PDS** and Policy Wording that is not materially adverse from time to time without needing to notify **you**.

You can obtain a copy of any updated information by contacting **us** on 1300 888 071. **We** will give **you** a free paper copy of any updates if **you** request them. If it becomes necessary, **we** will issue a supplementary or replacement **PDS** which **we** will give to **you**.
