1. What is a Target Market Determination?

A Target Market Determination (TMD) is a determination that Vero has made to:

- describe the class of Customers this product has been designed for;
- specify product distribution conditions;
- specify TMD review periods and triggers; and
- set out reporting requirements.

This TMD assists Vero staff, our Distributors and Customers in understanding the target market for this product.

In this TMD, distribution includes the following conduct in relation to Customers:

- dealing in the product (e.g. issuing or arranging for the product to be issued to a Customer);
- giving a PDS or other regulated disclosure document; and
- providing financial product advice in relation to the product.

2. What product does this TMD apply to?

This TMD applies to the Motor Trade Insurance Policy - Product Disclosure Statement (PDS) & Policy Wording and any Supplementary Product Disclosure Statement (SPDS) we may issue.

3. What are the key attributes of this product?

The Motor Trade Insurance Policy product offers a range of 14 policy sections that a Customer may select from to match their business insurance requirements. Each policy section is underwritten and quoted on an offer and acceptance basis in accordance with our underwriting rules. These underwriting rules also set out which policy sections are mandatory, and which are available depending on the Customer's circumstances.

The product has five policy sections that are the subject of this TMD:

Cover	This product provides:
Policy Section 1 – Property Damage	<ul style="list-style-type: none"> • cover for loss of, or damage to, property used in the Customer's business from specified Insured Events such as fire, lightning, explosion and flood. It also provides a number of Extra Covers and Additional Benefits related to Customer's business property. <p>Property that can be insured includes the buildings, contents and stock that the Customer use or are responsible for as part of the Customer's business. This policy section does not cover events such as theft or disease outbreak. Cover for money is available under a separate policy section. Cover for flood is available as an Optional Insurance.</p>
Policy Section 2 – Theft	<ul style="list-style-type: none"> • cover for loss of, or damage to, the Customer's contents, stock and specified items due to theft. It also provides Extra Covers and Additional Benefits related to the theft of the Customer's property; • limited cover for the theft of parts of the building such as electrical equipment that may be attached to the outside walls or roof; and • cover for tangible property and does not insure property such as cryptocurrency or events such as the hacking of computer systems.
Policy Section 3 – Glass	<ul style="list-style-type: none"> • cover for the breakage of fixed glass at the insured premises; and • an Additional Benefit to cover damage to plastic or Perspex signs at the premises.
Policy Section 11 – Commercial Motor	<ul style="list-style-type: none"> • cover for vehicles used in the Customer's business. <p>The Customer may choose between three (3) different types of cover for each vehicle they insure:</p> <ol style="list-style-type: none"> 1. Comprehensive Cover which covers the accidental damage to the Customer's vehicle and includes Legal Liability Cover; 2. Legal Liability, Fire and Theft Cover which covers the vehicle against a specific range of insured events and includes Legal Liability Cover; or 3. Legal Liability Cover only which covers supplementary bodily injury and damage to third party property liability only.

Cover	This product provides:
Policy Section 12 – Customer’s Vehicles	<ul style="list-style-type: none"> cover for vehicles owned by the Customer’s clients whilst those vehicles are in the Customer care, custody or control in the course of the Customer’s business for the purpose of servicing, repair, road testing, maintenance, alteration, inspection, valuation, testing or delivery; and cover for the client’s vehicles whilst fitted with a trade plate.

The following policy sections are available under the policy, but are not the subject of this TMD:

- Policy Section 4 - Money
- Policy Section 5 - Business Interruption
- Policy Section 6 - Public and Products Liability
- Policy Section 7 - Management Liability

- the product provides cover for the types of loss or damage that Customers in the target market are seeking to insure against; and
- the target market for the product covers those Customers who are eligible to receive cover.

5. When will we review this TMD?

We will complete a review of this TMD for this product by no later than the following periods:

- (a) First review period:
2 years after the original date of the TMD.
- (b) Ongoing review periods:
At least every 2 years following the first review period.

6. Other circumstances which will trigger a TMD review

The Review Triggers for this product are:

- if one or more terms of the product are altered and we consider that this alteration reasonably suggests that this TMD is no longer appropriate;
- an event or circumstance occurs that materially changes a factor taken into account when making the TMD that would suggest to us that the TMD is no longer appropriate, such as a change in underwriting requirements;
- the discovery of a material defect in the PDS which reasonably suggests that the TMD is no longer appropriate;
- if feedback, such as significant or systemic complaints or claims issues, is received from a Distributor or Customers who purchased the product, and we consider that this reasonably suggests to us the TMD is no longer appropriate;
- if feedback, regulatory orders or directions received from a regulator, the Code Governance Committee (CGC) or Australian Financial Complaints Authority (AFCA) suggest this TMD is no longer appropriate;
- if a change in law, regulation, or regulatory guidance that materially affects the product design or distribution of the product (or class of products that includes this product) where we consider that this reasonably suggests that this TMD is no longer appropriate;
- where significant dealings outside the TMD occurs, and we consider that this reasonably suggests that this TMD is no longer appropriate;
- if a remediation event relating to this product occurs where we consider this would reasonably suggest that:
 - this product is unsuitable for a particular cohort of Customers; and
 - the TMD may no longer be appropriate.
- if we consider that the claims data for the product reasonably suggests that this TMD is no longer appropriate.

7. What distribution conditions apply to this product?

The following conditions apply to this product:

- this product must only be distributed by an Australian based and appropriately licensed insurance broker (Distributor) with which Vero has an agreement to distribute this product;

- those Distributors who distribute the product are required to be authorised by us to distribute this product and those arrangements must not have been cancelled or suspended;
- this product must only be distributed in accordance with this TMD;
- distribution of this product must comply with all of our underwriting criteria;
- distribution of this product must be conducted through our Distributors pursuant to specific channel distribution requirements;
- this product cannot be distributed where this TMD is not up to date and no new TMD has been published; and
- the TMD must be current and not subject to any Australian Securities and Investments Commission (ASIC) action that might suggest the TMD is no longer appropriate.

These distribution conditions make it likely Customers who are issued the product are in the target market because they are supported by reasonably appropriate distribution networks of Australian based and appropriately licensed and authorised brokers, product information and platform controls designed to ensure that the product is distributed to persons within the target market.
