

Vero Global and Risk Managed

Specialist solutions for you

At Vero Global and Risk Managed we deal with complex Top 500 companies. That's why we draw our team of specialists from a variety of disciplines.

By combining underwriting, risk engineering and claims management with industry-specific knowledge we can provide you with consistent and competitive insurance.

Vero Global and Risk Managed

Tailored insurance and risk management solutions

Each of our specialist areas has a team of underwriters, risk engineers, claims and support staff. These teams work exclusively within your industry, providing tailored insurance solutions.

Vero Global and Risk Managed provide specialised client focused services for Australia's:

- ▼ top 500 public and private companies; and
- ▼ federal and state government entities.

Our products incorporate workers compensation - excess of loss, property and liability insurance backed up by a second-to-none risk engineering service and claims management service.

Our industry expertise and experience covers the following sectors:

- ▼ financial institutions and property investors
- ▼ food and beverage
- ▼ infrastructure (incorporating government and utilities)
- ▼ metal, machinery and equipment manufacturing
- ▼ transport
- ▼ media, leisure and entertainment
- ▼ risk solutions.

So if your business needs an expert, ask your broker today.

Specialist and secure

Vero Global and Risk Managed is not just a specialist. We're also safe and secure.

We're part of one of Australia's largest insurers with origins dating back to 1833.

How do I learn more about Vero Global and Risk Managed?

Talk to your broker or agent. They can testify to our record and advise whether your business is appropriate for one of our tailored risk management programs.

Why your broker recommends Vero Global and Risk Managed

We know how important it is that you receive quality, independent advice. That's why our products are only available through brokers.

Your broker knows your business, and knows insurance. Your broker will know that Vero Global and Risk Managed is one of the most specialised providers in the market.

They also appreciate:

- ▼ how dealing with experts cuts through the hassle

- ▼ that we can offer much more than risk assessment
- ▼ that we are backed by the size and scale of Vero.

Introducing Vero

Vero Insurance Limited ABN 48 005 297 807 ("Vero") is Australia's leading specialist insurer, comprising a number of expert insurance businesses including Vero Global and Risk Managed.

We provide quality specialised insurance and risk management products and services through intermediaries including brokers, corporate partners and risk managers. With origins dating back to 1833, Vero has the knowledge and experience to adapt to changing market environments.

As a multi-specialist insurer operating in a number of niche markets, we offer the benefits of expert knowledge combined with the scale and security of a major blue chip insurer. This unique mix means that we can offer you expert and comprehensive risk coverage, and fast, efficient claims handling.
