# Win your reward for outstanding performance in risk management

## Have you been part of a remarkable achievement?

Win recognition for your company, the praise of your peers plus the rewards you justly deserve in Australia's premier risk management awards – Vero's RM Advancer.

These unique awards have unearthed some outstanding risk management achievements for over a decade. And they have broadcast them to the world!

If you know of a great risk management story, Vero would like to hear about it. It could be about teamwork leading to an improved risk culture, a concerted effort to prevent a disaster, a safety investment that's paying dividends or just a great risk management team that deserves recognition.

## Ready to share your story? Here's how:

Tell Vero about it now by completing an initial Expression of interest (EOI) form on the RM Advancer website at [vero.com.au/RMAdvancer](http://vero.com.au/RMAdvancer) by 31 August 2017.

The awards will be judged as follows:

- **+\$100 million** total annual revenue or equivalent size organisations

There are four RM Advancer awards for this category: Public Liability, GIO Workers Compensation, Motor Vehicle and Property

- **-\$100 million** total annual revenue or equivalent size organisations

There is a single Enterprise-wide award for this category.

Make sure you complete the EOI form prior to 31 August 2017. Winners will be announced at an exclusive event on Thursday 26th October at The Australian National Maritime Museum, 2 Murray Street, Darling Harbour, Sydney New South Wales 2000

As well as the accolades of professionals, peers and the media, each winner will receive their choice of a special consultation program with Vero's expert Risk Engineering team or 200,000 Qantas Business Rewards\*.
