

Motor Trade Insurance Policy

Tailored insurance for the motor trade

Why your broker recommends Vero Motor Trade Insurance

The motor trade deals with unique issues such as working on and testing customers' vehicles.

Vero Motor Trade Insurance offers a range of broad covers designed specifically for the motor trade industry, whilst maintaining the flexibility for you and your broker to tailor the package to suit your needs.

Vero Motor Trade Insurance Policy offers

Tailored cover

- ▼ Cover for employees' and apprentices' own tools in the event of fire, accidental damage and theft at you premises, up to \$10,000 per employee or apprentice
- ▼ Accidental damage covered up to \$250,000 with an option to increase this cover
- ▼ Rectification of faulty workmanship covered up to \$25,000
- ▼ Cover up to \$1,000,000 for your legal liability for damage to your customers' vehicles while in your care, custody or control
- ▼ Cover for breakdown of machinery, computers and electronic equipment at your premises
- ▼ Cover for customer vehicles whilst on the road and at your premises.

Claims service

- ▼ 24 hours a day, 7 days a week toll free access to our First Response Unit to notify claims - one call and no forms to fill in.

Financial strength

- ▼ Part of the Suncorp group – a leading financial services company, rated A+ by Standard and Poor's (2008).

Competitive premiums

- ▼ Premiums at a price that's right for you.
