Dealing with audits is a time consuming and expensive affair, and could leave you with an unexpected bill of thousands of dollars as happened in these cases:

	Financial planner	Property owner	Grocer
Premium paid	\$400	\$450	\$420
Audit period	17 months	16 months	15 months
Claim	\$40,000	\$13,729	\$5,391

That's why Vero designed the Tax Probe Plus Insurance Policy.
