Exclusion for new business policies

We do not insure you for bushfire, storm, flood or tsunami in the first **72** hours of your policy.

But we will cover these incidents if this policy began on the same day:

- you bought your home or unit; or
- that another policy covering your home or contents expired, but not when you cancelled the policy prior to its expiry date, and only up to the sums insured covered under the expired policy (any increase in sums insured will not be covered for these incidents for the first **72** hours specified).

Who is this product designed for?

This insurance product is specially designed for people who own and live in their home and for people who want to insure their contents inside a home or unit.

This policy may not be suitable for covering your investment home or contents in a unit let out to your tenants. For example, this policy does not provide cover for your legal liability towards anyone usually living at the insured address, such as a tenant.

Please ask your Insurance Broker about our Vero Secure Landlord Insurance Policy.

More than one named insured

If there is more than one named insured on your schedule, we will treat a statement, act, omission, claim, request or direction (including to alter or cancel your policy) made by one as a statement, act, omission, claim, request or direction by all those named as insured on your schedule.

About your premium

The premium is the amount you pay us for this insurance and it includes stamp duty, GST, other government charges and any fire services levy that applies. The total amount payable will be shown on your schedule or, if you pay by instalments, the amount due each month will be shown on your schedule as 'your monthly insurance premium'.

In addition to your sum insured, we use many factors about you and your home and contents to work out your premium. These are called premium factors. The premium factors we use reflect the likelihood of you making a claim together with other factors related to our cost of doing business.

Each time you renew your insurance your premium is likely to change, even if your personal circumstances have not changed. This is because premiums are affected by other things such as our expenses of doing business and changes in our approach to how we calculate your premium.

Your premium includes any discounts we have given you.

Paying your premium

We will tell you how much you have to pay and how much time you have for payment on your schedule. You must pay the premium by the due date to get this insurance cover. You can pay in one annual payment or if we agree, by instalments.

Unless we tell you, any payment reminder we send you does not change the expiry or due date. If you do not pay the full amount, we may reduce the period of insurance so it is in line with the amount you paid.

If you make a change to your policy details it may affect your premium that you need to pay for the remainder of your period of insurance.

Late annual payments

If you do not pay your premium by the due date in the first year of insurance with us, we will give you a written notice of policy cancellation where we are required by law to do so.

If you do not pay the premium amount due on renewal by the due date, you will have no cover from the due date.

If we accept your late payment, we might recommence your cover from the date we receive your payment. If so, you will have no cover for the period from the due date until the date of payment.

Overdue instalments

If you pay your premium by instalments and your instalment is overdue, we can do one or both of the following:

- refuse to pay a claim if an instalment is **14** days (or more) overdue;
- cancel your policy without notifying you in advance if an instalment is **1** month (or more) overdue.

Important things to remember when paying by instalments

If we have agreed you can pay your premium by instalments:

- you must be an authorised signatory on the account nominated for your instalment payments;
- you must ensure that your nominated account has sufficient funds to meet each payment at each due date.

Your financial institution may apply its own fees (including dishonour fees). Those fees are your responsibility.

When you first commence paying by instalments, or when you change your account details, it may take up to **14** days for us to take the first instalment payment.

If you want to ask us to change or cancel your instalment payment arrangements, you need to contact your Insurance broker at least **7** days before the next instalment is due.

If you want to cancel the instalment payment arrangements completely, you will need to contact your Insurance broker and make alternative arrangements for payment of the total amount due for the rest of the period of insurance. If you do not, you may not be covered.

If you ever think we have made a mistake in relation to an instalment payment, please contact us.

The amount you pay towards a claim

An excess is an amount you are required to pay in the event of a claim. The amount of any excess that applies to your Policy will be either set out in the PDS or shown on your Schedule.

Depending on the circumstances, you might have to pay more than one type of excess when you claim. You must pay the excess in full (if we ask for it) before we pay the claim.

We will decide if you pay the excess to us (when we ask for it) or to the repairer or supplier. We can also choose to deduct the excess from the amount we pay you or from the amounts we must legally pay another person to compensate them for injury or loss of or damage to their property.

Where a sub-limit is applicable, the excess will be applied to the claim prior to applying the sub-limit. For example, if a ring worth \$17,000 was stolen from the home and it has not been specified, the \$10,000 per item jewellery sub-limit would apply. If a \$100 excess was applicable, this would be applied to the \$17,000 claim, rather than the \$10,000 sub-limit. Therefore, \$10,000 would be payable. If the ring had been specified for \$17,000, we would pay \$16,900 – the \$17,000 claim less the \$100 excess. If the stolen ring was worth only \$1,000, we would pay \$900 – \$1,000 less the \$100 excess.

There are three different kinds of excess:

Basic Excess:

We determine the basic excess that applies at the time the policy is taken out based on the type of cover you have chosen. It is often a set amount however, it can also vary depending on a number of factors such as our assessment of the risk, your claims history or if you wish to insure a high value item or a unique or unusual type of item.

Different basic excesses may apply to different sections of your policy and/or if you have the Valuables option. You may be entitled to vary your basic excess from our range of excess options. If you choose a higher basic excess on your policy this will decrease your premium.

Unless we tell you otherwise, the basic excess applies to all claims. If you make a claim under more than one section of your policy for the same event you will pay only one basic excess. If your basic excesses are different, you will pay the higher amount.

Earthquake & Tsunami:

All loss, destruction or damage occurring within a period of **72** hours of the earthquake or tsunami is regarded as the one event.

If your claim is for earthquake or tsunami you pay the earthquake or tsunami excess in addition to any basic excess that applies.

If you make an earthquake or tsunami claim under more than one section of your policy for the same event you will only pay one earthquake or tsunami excess.

Unoccupied excess

This excess applies in addition to any other excess, unless stated otherwise in the PDS, if you claim for loss or damage to your home or contents, which occurs when the home or unit has been unoccupied for more than **100** continuous days.

For further details please refer to our IBNA Gold Star Home and Contents Insurance Premium & Excess Guide available at www.vero.com.au/PED. A copy of the IBNA Gold Star Home and Contents Insurance Premium & Excess Guide can be provided to you on request, at no charge, if you contact Vero on 1300 794 133.

How to make a claim

As soon as possible after the event that causes the loss or damage, or legal liability, you must follow the steps set out on page 64 of the PDS.

Contact your Insurance Broker or Vero on the number shown on your Schedule and tell us what happened. We will advise you of the claims process and assist you through the next steps.

How a claim payment is calculated

When we pay a claim we consider a number of aspects in calculating the amount. These can include the:

- amount of loss or damage or liability;
- excess;
- sum insured;
- policy limit; and
- terms and conditions of the policy.

For customers who are registered for GST

You must tell us about the input tax credit (ITC) you are entitled to for your premium and your claim, each time you make a claim. If you do not give us this information or if you tell us an incorrect ITC, we will not pay any GST liability you incur. When we calculate a payment to you for your claim, we can reduce it by any ITCs you are, or would be, entitled to receive.

Definition

'GST' and 'input tax credit' have the meanings given in the A New Tax System (Goods and Services Tax) Act 1999.

Important information

It is important that you:

- read all of the policy before you buy it to make sure that it gives you the protection you need, and
- are aware of the limits on the cover provided and the amounts we will pay you (including the total excess that applies).

Your responsibilities

You must:

- keep your home, unit and contents well maintained;
- take all reasonable care to prevent theft, loss, damage or legal liability;
- follow all the terms and responsibilities set out in your policy;
- provide honest and complete information for any claim, statement or document supplied to us;
- ensure that your home complies with local government or other statutory requirements at all times.

Not meeting your responsibilities

If you do not meet your responsibilities, it may lead us to do one or both of the following:

- reduce or refuse to pay your claim;
- cancel your insurance policy.

Unoccupancy

When the home or unit will be unoccupied for more than **100** days, we will apply the unoccupied excess to each incident covered by your policy unless this policy states that no excess applies to your claim if, at the time of the incident, the home or unit has been unoccupied for more than **100** continuous days.

A period of unoccupancy starts when the home or unit becomes unoccupied and comes to an end when you, or someone nominated by you, has occupied the home or unit for at least **2** consecutive nights. You may be asked to prove the occupancy of the home or unit in the event of a claim. This may be supported by the usage of the utilities that are connected to the home or unit. Sometimes we might ask for other evidence of occupancy. We will decide if the unoccupied excess applies in this circumstance.

If you have to pay an unoccupied excess it is payable in addition to any other excess that applies to your claim. For more details about the unoccupied excess, see page 8.

When you need to contact us

You must contact us when:

- you start to operate or intend to operate a business activity at the insured address;
- there are changes to any business activity you operate at the insured address, such as:
 - you change the type of business activity;
 - people start to come to the insured address;
 - you install business signage;
 - you need to store chemicals for the business activity.
- any detail on your schedule is no longer accurate, such as the insured address;
- you purchase a new home;
- you intend to demolish your home, have lodged an application to do this, or a government authority has issued a demolition order;
- you move out and let your home to tenants;
- trespassers (squatters) occupy your home;
- you commence building or renovations at the insured address if the value of the work exceeds **\$50,000**;
- anything else happens that increases the chance that loss, damage or injury will occur at the insured address.

What we will do when you contact us

When you contact us and tell us about these changes, we may decide to impose an additional excess, charge an additional premium or apply a special condition to your policy. In some cases, it could mean we can no longer insure you and we will cancel your policy.

General Insurance Code of Practice

We support and adhere to the General Insurance Code of Practice. You can get a copy of the code from the Insurance Council of Australia website (insurancecouncil.com.au) or by phoning **(02) 9253 5100**.

Financial Claims Scheme

This policy may be a 'protected policy' under the Federal Government's Financial Claims Scheme (FCS) which is administered by the Australian Prudential Regulation Authority (APRA).

The FCS only applies in the unlikely event of an insurer becoming insolvent and the Federal Treasurer making a declaration that the FCS will apply to that insurer.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer to be paid certain amounts by APRA.

Information about the FCS can be obtained from APRA at www.apra.gov.au or by calling 1300 55 88 49.

Providing proof

So that your claim can be assessed quickly you should keep the following:

- receipts or other confirmation of purchase, and
- valuations.

We may ask you for these if you make a claim. You must be able to prove to us that you have suffered a loss that is covered by this Policy before we will pay you for it.

Refer to page 66 to 67 for more details.

Preventing our right of recovery

If you have agreed not to seek compensation from another person who is liable to compensate you for any loss, damage or liability which is covered by this Policy, we will not cover you under this Policy for that loss, damage or liability.

This part of the Policy contains the following three sections:

- Section 1: What 'Home' and 'Contents' mean
- Section 2: Cover for your Home & Contents – Accidental Damage
- Section 3: Cover for your Legal Liability

Section 1: What 'Home' and 'Contents' mean

- (b) earth or gravel pathways and earth or gravel driveways;
- (c) a hotel, motel, boarding house or caravan (whether fixed to the site or not).

Whether you have selected cover for your home, your contents or both is shown on your Schedule. Property that belongs to your family or for which you or your family are legally responsible will be treated as though it is your property.

There is also extended cover provided for your contents under additional benefit 1 – Contents away from your home, for when your contents are away from the site.

Specified Events

‘Specified Events’ means loss or damage directly caused by the following events (a) to (r):

- (a) fire;
- (b) lightning;
- (c) thunderbolt;
- (d) explosion;
- (e) implosion;
- (f) earthquake or tsunami;
- (g) subterranean fire;
- (h) volcanic eruption;
- (i) impact;
- (j) aircraft or other aerial devices or articles dropped from them;
- (k) sonic boom;
- (l) theft or attempted theft;
- (m) breakage of glass;
- (n) the acts of persons taking part in riots or civil commotion or of strikes or of locked-out workers or of persons taking part in labour disturbances which do not assume the proportions of or amount to an uprising;

- (q) storm, flood, tempest, rainwater, wind, hail, tornado, cyclone, freezing or weight of snow;
- (r) power surge.

You are NOT covered for loss or damage caused by tenants but we will cover such loss or damage to the extent it is covered under the following specified events only:

- fire;
- explosion;
- impact, **but only** by a vehicle.

You are also covered for malicious damage by tenants, **but only** to the extent outlined in the additional benefit “Malicious Damage by Tenants” on page 51. There are limits and exclusions described under ‘How much we will pay’ and ‘When you are not covered’.

In addition, we provide the cover shown under the additional benefits listed on pages 38 to 55, depending on the type of cover you have chosen.

How we will pay

Home

(a) At our option we:

- repair the home;
- replace the home to a condition substantially the same as, but not better than when new, except for built in dishwashers and air conditioners with less than a **3** star energy rating which we will, if you agree, replace with a minimum **3** star energy rating if this is available. It can be a different brand;
- pay the reasonable cost to repair or replace the home so that it is returned, as far as possible, to its condition and extent when new, or if it has been renovated, to its condition and extent when last renovated; or
- pay up to the sum insured shown on your Schedule.

If your home is damaged beyond economic repair, we will pay no more than the reasonable cost of replacement when new or last renovated even if you have insured for an amount greater than the reasonable cost of replacement when new or last renovated. When we pay your claim for your home being damaged beyond economic repair, the Policy is exhausted and comes to an end.

- (b) If the home is totally destroyed and you choose to replace it with a smaller home, we will pay the reasonable costs incurred to rebuild the replacement home plus a cash settlement. The cash settlement will be limited to the market value of the land and home before the loss or damage less the market value of the land and home after the replacement home has been built.
- (c) If you decide not to replace, rebuild or repair your home and we agree, we will pay you the market value of your home and land:
- just before the loss or damage, less
 - what it was after the loss and damage occurred.
- (d) If you choose to have the home replaced at another site, and we agree, we will not pay more than the sum insured (plus GST if applicable).
- (e) If your home is damaged beyond economic repair and you do not commence rebuilding within **6** months of the damage occurring, (or any other period which we agree with you and confirm in writing), you may have to pay any increase in cost caused by your delay.

- (f) Wherever possible, we will match the materials used in replacing, rebuilding or repairing your home with those originally used. However, where it is not possible to match materials, we reserve the right to pay for the nearest equivalent or similar materials.
- (g) If part of your home is damaged and we agree to pay your claim, we pay only for the part or parts of the home that actually sustained damage. We do not pay to replace any undamaged materials.

However, if:

- it is impossible to acquire new material to replace the damaged material that reasonably matches the undamaged portion to a similar extent as immediately prior to the loss or damage occurring; and
- the amount of damaged material that cannot be matched to the undamaged material is more than **40%** of the total material that would have to be replaced if all the matching damaged and undamaged material was replaced;

then we will replace both the damaged and undamaged material.

Example 1

There are 300 matching, wall tiles in the bathroom. As a result of a burst pipe, 8 bathroom wall tiles are damaged. It is possible to locate tiles that reasonably match the remaining 292 undamaged tiles. We would pay only the reasonable cost to repair or replace the 8 damaged tiles to a condition substantially the same as when new.

We would not pay to replace any tiles located in a room other than where the loss or damage occurred.

In addition, we would pay the reasonable cost of locating the leak and to repair or reinstate any damage sustained in locating the source of the leak.

Example 2

There are 300 superseded, matching, wall tiles in the bathroom. As a result of a burst pipe, 140 wall tiles are damaged. It is impossible to locate tiles that reasonably match the remaining 160 tiles. Over 40% of the matching wall tiles have been damaged. Therefore,

we would pay the reasonable cost to repair or replace all 300 tiles (140 damaged and 160 undamaged) to a condition substantially the same as when new. We would be entitled to keep the undamaged wall tiles.

We would not pay to replace any tiles located in a room other than where the loss or damage occurred.

In addition, we would pay the reasonable cost of locating the leak and to repair or reinstate any damage sustained in locating the source of the leak.

Limits on what we pay – Home

If we accept your claim, the most we will pay for loss or damage to the home is the sum insured shown on your schedule, unless a limit in the table below or a different limit elsewhere in your policy applies. The limits shown in the table below cannot be increased.

Fixed limits apply to	Limits for any one insured incident
Uninstalled building materials (e.g. tiles stored in the shed or an oven that is not yet installed)	Up to \$2,000 in total
Fencing*	Up to 2 kilometres
Driveway and sealed roads*	Up to 500 metres
Additional benefits	The amount or limit shown for that additional benefit (see pages 38 to 55)

* But we will not pay for more than the home sum insured shown on your insurance schedule.

Lifetime guarantee on home repairs

We guarantee that if a defect arises in the lifetime of your home as a result of poor quality workmanship or use of incorrect or poor quality materials, when we replace, repair or rebuild your home, provided that we:

- have directly authorised the replacement, repairs or rebuilding;
- have arranged the replacement, repairs or rebuilding; and
- have paid, or have a legal liability to pay, the supplier, repairer or builder directly for this work;

then we will rectify the problem by arranging, directly authorising and paying for further replacement, repair or rebuilding.

This guarantee does not apply to:

- home replacement, repairs or rebuilding that you arrange, authorise or make yourself (this applies even if we give you or a supplier, repairer or builder a cheque for all or part of the repair cost);
- loss, damage or failure of any electrical or mechanical appliances or machines that form part of your home; or
- wear and tear consistent with normal gradual deterioration of your home (e.g. paint peeling off as part of its normal life cycle, wood rotting from moisture in the air or ground, roofs weathering or a hot water system leaking as a result of normal gradual deterioration).

Contents

(a) At our option we:

- repair the damaged items;
- replace the items with items substantially the same as, but not better than when new, except for refrigerators, freezers, free-standing dishwashers and air conditioners, washing machines and dryers with less than a 3 star energy rating which we will, if you agree, replace with a minimum 3 star energy rating if this is available. It can be a different brand;
- pay the reasonable cost of repair or reinstatement to a condition substantially the same as, but not better than when new; or
- pay up to the sum insured shown on your Schedule, plus any amount for Additional benefits, plus GST, less any excess.

We will try to match materials or items used in repairing or replacing, with the original item. But if this is not possible, we reserve the right to use nearest equivalent or similar materials or items.

If your contents are damaged beyond economic repair, we will pay no more than the reasonable cost of replacement when new even if you have insured for an amount greater than the reasonable cost of replacement when new. When we pay your claim for all your contents being damaged beyond economic repair, the Policy is exhausted and comes to an end. We will not pay more than the total contents sum insured for all contents lost or damaged.

(b) Floor Coverings

For carpets and other floor coverings, we pay only for items in the room, hall or passage where the damage occurred.

(c) Pairs and Sets

Where an item forms part of a set, we will only pay the replacement value of that item. We will not pay to replace the entire set. In the event of a total loss of any item or items which are part of a pair or set, we agree to pay you – at your option, exercisable after the loss – the full amount of the value of such pair or set, provided that you agree to surrender the remaining item or items of the pair or set to us.

If you elect not to surrender the remaining part of the pair or set to us, then we pay no more than the actual value of the item. We do not give any allowance for any special value it may have as forming part of a pair or set, or for any reduction in value of the remaining part or parts.

Limits on what we pay – contents

If you have insured your contents and we agree to pay your claim under this section, the most we will pay you is:

- the amount of the sum insured shown in your Schedule. However, for some items, we will only pay up to the limits shown in the table set out below; plus
- any amount for additional benefits listed on pages 38 to 55; plus
- GST; less
- any excess.

Contents where a maximum limit applies	Maximum Limit
(a) Items of jewellery, gold or silver articles, furs, watches, collections of coins and medals	\$10,000 per item and, in total for all items, 25% of the sum insured for unspecified contents. This means that if the sum insured for unspecified contents is \$80,000, the maximum limit in total for all items is 25% of \$80,000 = \$20,000 (maximum limit in total).
(b) Equipment (other than office or surgical equipment) used by you or your family for earning income	\$10,000 in total
(c) Accessories, or spare parts belonging to your motor vehicles (including motor cycles), or watercraft while they are not in or on the motor vehicle or watercraft	\$2,000 per item, maximum limit is \$4,000 in total
(d) Cash, coins, negotiables or bullion	\$2,000 in total
(e) Stock used in your trade, business or profession	\$7,500 in total

Note:

If you ask us, and we agree, you may obtain higher limits for (a), (b), (c), (d) or (e) by having any of these items specified on your Schedule.

Section 3: Cover for your Legal Liability

What you are covered against

If this Policy covers your home

- both your home and contents are insured with us at the time your home is badly damaged or destroyed by an insured incident; **and**
- we pay you the home sum insured and the cover for your home stops.

You must take reasonable precautions to keep the site free of obvious hazards for anyone coming onto your site. This includes fencing off or securing damaged buildings and fencing any swimming pool or we will refuse to pay a claim.

We will continue to cover your legal liability resulting from an incident which happens at the site for up to **12** months under your contents policy.

This cover ends immediately if:

- any building work commences at the site; **or**
- repairs or rebuilding worth more than **\$100,000** in total commence at the site; **or**
- you cease to insure your contents under this policy.

'Property damage' means:

Provided that we will only reimburse income loss incurred on days when you are not able to conduct any income-earning activity whatsoever on the day of the court appearance.

Additional benefits

We give you the following additional benefits. For any additional benefits to be payable, you must suffer or incur the relevant loss, damage or liability during the Period of insurance.

We pay all additional benefits 1 to 39 over and above your sum insured for home or contents, depending on the type of cover you have chosen.

There are some things we do not cover under these additional benefits and these are described in the additional benefits and in 'When you are not covered'.

1. Contents away from your home

This additional benefit applies if this Policy insures your contents.

We insure your contents temporarily removed from your site anywhere in the world.

We also insure under this additional benefit any items that you have purchased in Australia or overseas, provided that:

- you intend to return the item to the site; and
- the item would be contents as defined in this policy once they are returned to the site.

But, under this additional benefit 1, we do not insure the following items:

- contents in transit during a permanent removal from the site (other than as described in 'Additional benefit 13 – Contents being conveyed to your new residence', and contents covered under Additional benefit 11 – 'Change of site');
- property used in connection with a business; and
- contents in storage, other than as described in Additional benefit 2, – 'Contents in storage'.

The maximum we pay for items of:

- (i) jewellery, gold or silver articles, furs, watches;
- (ii) collections of stamps, medals, coins or other collectables that are issued or sold as part of a set or collection;

under this additional benefit is:

- **\$10,000** per item or collection; and
- up to **25%** of your unspecified contents sum insured in total. This means that if the sum insured for unspecified contents is \$60,000, the maximum total limit will be calculated as follows: 25% of \$60,000 = \$15,000 (maximum limit in total);

However, if you have specified an item and it appears on your Schedule under the Valuables option, the maximum we will pay for that item is the amount shown on the Schedule, plus GST.

For items other than (i) or (ii) above, the maximum amount we pay for items while they are temporarily removed from your site is subject to the limits described under 'Limits on some contents items' on page 31.

2. Contents in storage

If this Policy insures your contents, we pay for loss or damage to them when they are in storage provided you obtain our written agreement before they are put into storage.

4. Removal of debris

If this Policy insures your home, and we agree to pay a claim under this Policy, we pay the reasonable costs of demolition and removal of debris from the site.

If the damage for which we agree to pay a claim is caused by a fallen branch or tree, we will remove and dispose of the fallen tree or parts from the site and pay for costs of treating the stump or to prevent regrowth.

If this Policy insures your contents, and we agree to pay a claim under this Policy, we pay the reasonable costs of removal of contents debris from the site.

What is a reasonable cost of removal of debris will depend on the type, nature and extent of the debris and the location of the debris, as well as the factors referred to above.

5. Extra costs of reinstatement

If this Policy insures your home and we agree to pay a claim under this Policy, we pay the extra costs necessary to meet the requirements of any statutory authority in connection with rebuilding or repairing your home at the site. What extra costs are necessary will depend on the nature of the requirements of the statutory authority.

We do not pay any extra costs which resulted from any notice which a statutory authority served on you before your home suffered loss or damage.

6. Electrical or mechanical

- (a) Any sudden and unforeseen physical loss or damage which may include (but is not limited to) the actual:

The maximum we pay at each site will be the proportion of the sum insured that the value of the contents at that site bears to the total value of the contents at both sites.

If you wish to insure your contents at your new address after those **45** days, you must ask us to change the insured address on the Schedule to the address of your new residence. Otherwise, your contents insurance will continue to apply to the site shown in the Schedule.

- title deeds;
- birth, marriage or death certificates;
- passports;
- driver's licences.

This includes the information contained on the documents.

The most we will pay for any one incident is **\$2,000**.

20. Waiver of excess if your property is a total loss

You are not required to pay an excess if we agree to pay a claim as a result of damage that renders your home, contents or both beyond economic repair.

21. Loss of rent or temporary accommodation

We pay the following benefit if your home is so damaged that it cannot be lived in, or let to tenants and we agree to pay a claim:

If this policy insures your home

We pay for:

- additional cost of reasonable temporary accommodation where the home is your principal place of residence, and the cost of temporary accommodation for your pets in a commercial boarding establishment when we have agreed to pay a claim for your temporary accommodation under this additional benefit. What is reasonable will depend on where your home is and the type of home you live in;
- loss of rent or rental value, if the home is tenanted or is between tenants at the time the loss or damage occurred. The amount of the loss or rent or rental value will depend on the amount of rent you lose under a lease in place with your tenants or would have, if the home had been tenanted at the time the loss or damage occurred.

If this policy insures your contents

We pay for:

- additional cost of reasonable temporary accommodation where you are a tenant or strata title owner permanently residing in the home, and the cost of temporary accommodation for your pets in a commercial boarding establishment when we have agreed to pay a claim for your temporary accommodation under this additional benefit; or
- loss of rent or rental value, if the home is a strata title residence and it is tenanted or is between tenants at the time the loss or damage occurred.

Forced Evacuation by Government Authority

- If this Policy insures the home that you let to tenants, and if your home cannot be lived in because a government authority prohibits you from using it, we pay any resultant rent lost. We pay for a maximum of **60** days for your home for loss of rent or rentable value if the home is tenanted or is between tenants at the time the loss or damage occurred. The prohibition must be as a direct result of damage to neighbouring premises that would be classed as insured damage under this Policy. We do not cover

loss due to cancellation of a lease or agreement including if a tenant decides to leave without giving proper notice.

- If you cannot live at the site because a government authority denies you access, we will pay any increase in your living expenses that is necessary and reasonable to maintain your normal standard of living for up to **60** days. The denial must be as a direct result of damage to neighbouring premises that would be classed as insured damage under this Policy. We will not cover loss due to cancellation of a lease or agreement.

Under Additional Benefit 21, we do not pay for:

- loss of rent if the home has been untenanted for **30** consecutive days immediately before the loss;
- any rent lost after the home is capable of being tenanted; or
- any rent lost later than **18** months after the damage occurs.

If you are a tenant, “additional costs” means costs over and above the amount for which you were renting the home when it was fit to live in.

22. Landlord’s furnishings

If this Policy insures your home we will pay up to **5%** of the building sum insured for loss or damage to a landlord’s furniture, fixtures, fittings and carpets if you:

- lease out your home;
- you are not living in your home at the time of the loss or damage;
- the items are in your home for your tenant to use; and
- the tenant is not responsible for loss or damage to these items under the lease.

23. Automatic reinstatement of sum insured

This benefit applies to the sums insured for home and unspecified contents as shown on your Schedule.

Following payment of a claim other than a claim for total loss the sums insured will be reinstated, unless you request otherwise. No additional premium is payable during the Period of insurance for the reinstated sums insured if this benefit applies.

24. Inflation adjustment

This benefit only applies to your home and contents sums insured as shown on the Schedule.

During each Period of insurance we increase the home and contents sums insured by 0.4 of 1% of the relevant sum insured shown on your current Schedule per month until the next renewal.

There will be no additional premium payable during the Period of insurance. However, at the end of each Period of insurance the renewal premium for the next Period of insurance will be calculated on the amount of an increased sum(s) insured.

25. Compensation for death quadriplegia or paraplegia

If this Policy insures your contents we pay to the legal representative of the deceased person up to **\$15,000** in the event of death of you or a member of your family normally living with you as a direct result of an event at the site.

If you or a member of your family normally living with you suffer quadriplegia or paraplegia as a direct result of an event occurring at the site, we pay you up to **\$15,000**.

We do not pay in any one Period of insurance more than **\$15,000** in total under this additional benefit.

The most we will pay for the storage of undamaged contents is **10%** of the general contents sum insured.

We will pay for any accidental loss or damage to the undamaged contents while they are at the place of storage **but only** up to the general contents sum insured shown on your schedule (less any amount paid for loss or damage to your contents as part of the original claim). This cover stops when your policy is cancelled or lapses. All the conditions, limits and exclusions of this policy apply to this cover.

We do not pay for:

- storage costs once we decide the contents could be returned to the insured address;

- your home is so damaged by an event that is insured by this policy that it is considered by us to be a total loss; and

We do not pay for:

- loss or damage if there is not a catastrophic event.

Options you can choose for additional premium

The following options may be obtained on application, and for an additional premium:

1. Valuables
2. Domestic Workers Compensation

1. Valuables

This option is available only if this Policy insures your contents in your primary residence.

If you have selected and paid for this valuables option, we insure you and your family anywhere in the world against loss, theft or damage to specified valuables items belonging to you, your family or for which you or they are legally responsible including:

- (i) jewellery, gold or silver articles, furs, watches;
- (ii) collections of any kind; and
- (iii) mobile cellular telephones, portable electronic equipment (including portable computers).

This Policy automatically covers these items (i) and (ii) while they are temporarily removed from the site under Additional benefit 1, for **\$10,000** per item up to **25%** of your unspecified contents sum insured. However, if you wish to insure items while they are temporarily removed from the site for amounts greater than this, then you need to select and pay for this specified Valuables option.

Your Schedule shows whether you have chosen this Valuables option and the basic excess that applies. If you select specified valuables, then you must specify each item you wish to insure as a specified valuable and provide valuations or receipts, unless we tell you that a valuation is not required.

There are some limitations below and under 'When you are not covered'.

What we do not insure

Under this Valuables option we do not cover items while they are being cleaned, repaired or restored.

How much we will pay for loss or damage

(a) At our option we:

- repair the damaged item; or
- replace the lost or damaged item with an item substantially the same as, but not better than when new;
- pay the reasonable cost of repair or reinstatement to a condition substantially the same as, but not better than when new; or
- pay up to the sum insured shown on your Schedule against the item.

If we choose to pay to replace a specified valuable item, we will pay no more than the amount that it would cost us to replace the item with an item substantially the same as, but not better than when new, even if you have specified the valuable for a higher amount, whether or not you have supplied a valuation. We have negotiated special arrangements with various suppliers to purchase items for

less than retail cost. Premiums are therefore based upon us replacing items at less than retail cost.

When we pay your claim for all your valuables on the Policy being damaged beyond economic repair (or not being recovered), the valuables section of the Policy is exhausted and comes to an end.

(b) Pairs and Sets

Where an item forms part of a pair or set, we will only pay the replacement value of that item. We will not pay to replace the entire set.

In the event of a total loss of any article or articles which are part of a pair or set, we agree to pay you – at your option, exercisable after the loss – the full amount of the value of such pair or set, and you agree to surrender the remaining article or articles of the pair or set to us.

If you elect not to surrender the remaining article(s) of the pair or set to us, then we pay no more than the actual value of the item. We do not give any allowance for any special value it may have as forming part of a pair or set, or for any reduction in value of the remaining part or parts.

2. Domestic Workers Compensation

(Available in WA and Tasmania only)

Your Schedule indicates whether you have chosen this option.

If you employ a domestic worker, on a casual basis or otherwise, you may be required by law to provide that person with workers compensation insurance.

If you fail to do so, and your employee is injured in the course of their employment by you, you may be liable to compensate them.

Where shown on the Schedule, this Policy includes statutory domestic workers compensation cover according to the legislation in your state or territory, up to the amount required by your state or territory's legislation. On request, we will provide you a copy of the statutory policy. When this cover is provided, the insurer and issuer is AAI Limited ABN 48 005 297 807, AFSL No 230859, trading as GIO.

When you are not covered

- mildew, mould, algae, wet or dry rot or rising damp, atmospheric or climatic conditions (other than storm, rain or flood);
 - vermin or insects gnawing, biting, chewing, pecking, clawing, scratching or in any way polluting or contaminating your home or contents;
 For example: If a mouse was to chew through an electrical wire, which led to a fire, the damage caused directly by the fire would be covered by this Policy, however any damage caused by the mouse's chewing would not be covered by this Policy.
 - the deliberate application of heat (for example, this would include where an element under or forming part of a ceramic cooktop causes damage to the cooktop);
- (c) loss or damage caused by tree roots. However, this exclusion applies only to damage caused directly by tree roots. For example, if tree roots damage and block a pipe, we will pay for the resultant damage to the home caused by water overflowing in the home. We will not pay for the damage to the pipe;

This cover applies only if you have arranged this Policy to insure only the interest of a mortgagee in a strata title unit.

This cover only applies when you own part of a building that has been subdivided into strata, community or similar title units and you have a mortgage on that part of the building.

We will pay the mortgagee the lowest of:

- (a) the sum insured shown on the Schedule;
- (b) the amount we must pay for that kind of loss or damage under our home section;
- (c) if the body corporate (or similar) partially covers the loss, then the difference between what the body corporate's insurance pays and the cost of the damage; or

We only pay a claim if:

- (a) a claim would be payable under this Policy (and not subject to any exclusion or other limitation in the Policy);
- (b) the policy of the body corporate or similar does not apply or only partially covers the loss; and
- (c) a mortgagee cannot get back the full amount you owe it under a mortgage when it sells your home.

What we do

We may take over and conduct the defence or settlement of any claim or issue legal proceedings for damages. If we do this we will do it in your name. This may include giving evidence in any legal proceedings.

What can affect a claim

We will reduce the amount of a claim by the excess shown in this PDS or on the Schedule.

We may refuse to pay a claim if you are in breach of your Duty of Disclosure or any of the conditions of this Policy, including any endorsements noted on or attached to the Schedule.

We may be entitled to refuse to pay or to reduce the amount of a claim if:

- it is in any way fraudulent; or
- any fraudulent means or devices are used by you or anyone acting on your behalf to obtain any benefits under this Policy.

We own salvaged home and contents items

We can take and keep any recovered or salvaged item and sell it and keep the proceeds after we have replaced the item or paid you for it.

Dealing with defects

If a known defect is the cause of the damage

We do not pay for loss or damage caused by a defect, structural fault or design fault at your home that you knew about (or should reasonably have known about) and did not fix before the loss or damage occurred.

If an unknown defect is the cause of the damage

If an incident covered by your policy damages your home and an unknown defect was the cause or part of the cause, we will pay for the resulting damage. If the unknown defective part of your home is also damaged by the same incident, we will fix this as well.

We do not rectify structural or design faults

When we accept a claim, we will not pay extra to rectify a structural or design fault at your home that you knew about (or should reasonably have known about). We will only pay you what it would have cost us to fix the damage from the incident covered by your policy or if we agree, you can pay us the extra amount it costs to rectify the structural or design fault at your home.

If undamaged defective parts of your building will not support repairs

If undamaged defective parts of your home you knew about (or should reasonably have known about) will not support repairing the damage caused by an incident covered by your policy, we will only pay what it would have cost us to repair the damage had your home not been defective.

For known defects or faults

Once you become aware of a defect, structural or design fault at your home, you must rectify it as soon as possible because there is no cover for loss or damage due to that defect. If you do not rectify the defect or fault, you may not be covered or we might not offer a renewal of your policy.

Report insurance fraud

Insurance fraud is not a victimless crime. It imposes additional costs on honest policy holders and wastes the valuable resources of our community. This means it affects everyone.

We actively pursue fraudulent and inflated claims in order to keep your premiums as low as possible.

Fraudulent claims will be investigated and may be reported to the police.

Help us fight insurance fraud by reporting:

- inflated vehicle or home repair bills;
- staged vehicle or home incidents;
- false or inflated home or vehicle claims;
- home or vehicle fires which may be intentionally started, including by someone known to you.

To report suspected insurance fraud call: **1300 881 725**.

Let's work together to reduce the impact of insurance fraud on the community.
