### Sydney blackouts cause multiple headaches for building owner

#### Loss details

#### Nature of business

Property owner

#### Type of equipment

Various

This building lost power during the 2009 blackouts in the Sydney CBD.

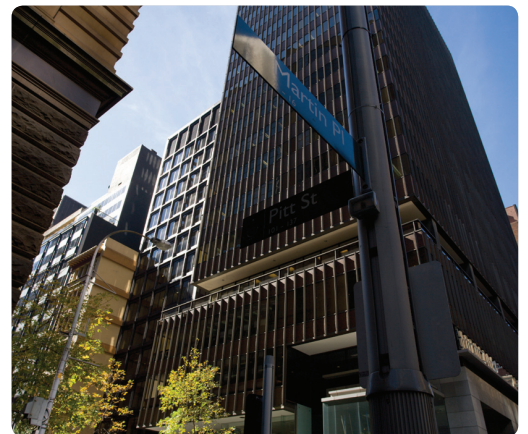

Upon turning the power back on a surge developed in the electrical infrastructure, damaging equipment including an air fan variable speed drive controller and two 3 phase motors, amongst other items of equipment.

The Insured was unfortunate enough to lose power in the second blackout to hit the Sydney CBD a couple of weeks later.

Again, upon turning on the power a surge developed in the electrical infrastructure causing irreparable damage to another two motors and their respective control boards.

#### Final loss

<b>First Blackout</b>	<b>\$31,089.00</b>
<b>Second Blackout</b>	<b>\$22,590.00</b>
