# Introduction

Please read the **Policy** carefully to ensure that it meets your requirements. Insuring Clause 1.1 – ‘iTech cover’ is written on a ‘claims made and notified’ basis, which means that, subject to the ‘Continuous Cover’ clause, it will only respond to **Claims** first made against the **Insured** and notified to the **Insurer** during the **Policy Period**. Insuring Clauses 1.2 – ‘Public liability cover’ and 1.3 – ‘Products liability cover’ **Claims** are made on an **Occurrence** basis.

Any word or expression to which a specific meaning has been attached shall bear that specific meaning wherever it may appear.

You received important notices about your duty of disclosure, unusual terms in claims made and notified insurance policies and our privacy statement prior to purchasing this **Policy**. The notices are replicated at the back of this document for your reference.

## Policy wording

The **Policyholder** and the **Insurer** agree that the **Insurer** will provide insurance in accordance with the terms of this **Policy**.

### 1. Insuring clauses

#### 1.1 iTech cover

The **Insurer** will indemnify the **Insured** against civil liability for compensation and claimant’s costs and expenses in respect of any **Claim** first made against the **Insured** during the **Policy Period** and notified to the **Insurer** during the **Policy Period** resulting from the provision of **Information Technology Services** and/or **Information Technology Products**.

#### Insurance clarification

For the purposes of clarifying the scope of cover under Insuring Clause 1.1 ‘iTech cover’ of this **Policy**, civil liability includes, but is not limited to:

##### 1.1.1 Consumer protection legislation

**Claims** for compensation resulting from breach of a statutory duty under the Competition and Consumer Act 2010 (Cth), Corporations Act 2001 (Cth), or similar legislation enacted for the protection of consumers, within any Australian jurisdiction including any amendment, consolidation or re-enactment of such legislation, to the extent that any **Claim** is not otherwise excluded under this **Policy**.

##### 1.1.2 Contractual liability

Contractual liability, provided that:

- a. the **Insurer** will not be liable for any liability assumed by the **Insured** under any express warranty, guarantee or the like unless such liability would have attached to the **Insured** in the absence of such agreement; and
- b. where a **Claim** arises from an alleged breach of contract the **Insurer** will not reduce their liability by the mere fact that contributory negligence is not available as a defence.

##### 1.1.3 Intellectual property

Infringement of rights of intellectual property, provided that such infringement is unintentional and is committed in the provision of **Information Technology Services** and/or **Information Technology Products**.

##### 1.1.4 Liability for acts, errors or omissions of contractors and consultants

Acts, errors or omissions of contractors and consultants, provided that the **Insurer** will only indemnify the **Insured** for its civil liability for **Information Technology Services** and/or **Information Technology Products** provided by the contractor and/or consultant. Indemnity will not extend to the contractor and/or consultant who committed the act, error or omission, except as otherwise provided in Extension 6.10 ‘Indemnity to contractors’.

##### 1.1.5 Libel or slander

Libel or slander, provided that the **Insured** did not intend to commit the libel or slander with express malice.

##### 1.1.6 Liquidated damages

Liquidated damages, provided that the **Insurer** will not be liable for any liquidated damages imposed upon the **Insured** by contract or agreement, except to the extent that the **Insured** would have been liable for that damage in the absence of any such contract or agreement.

##### 1.1.7 Privacy and confidentiality

Unintentional breach of any duty of privacy or confidentiality at law.

#### 1.2 Public liability cover

The **Insurer** will indemnify the **Insured** against legal liability for compensation and claimant’s costs and expenses in respect of any **Claim** arising from:

- a. **Personal Injury**, or
- b. **Damage to Property**

happening during the **Policy Period** as a result of an **Occurrence** in connection with **Information Technology Services**.

### 1.3 Products liability cover

The **Insurer** will indemnify the **Insured** against legal liability for compensation and claimant's costs and expenses in respect of any **Claim** arising from:

- a. **Personal Injury**, or
- b. **Damage to Property**

happening during the **Policy Period** as a result of an **Occurrence** and caused by or arising from **Information Technology Products**.

### 2. Limit of indemnity and maximum aggregate limit of indemnity

Unless otherwise stated in the **Policy**, the **Insurer's**:

1. liability to indemnify the **Insured** under Insuring Clause 1.1 'iTech cover' will not exceed the **Limit of Liability (iTech Cover)** for any one **Claim**;
2. aggregate liability under Insuring Clause 1.1 'iTech cover' will not exceed the **Maximum Aggregate Limit of Indemnity** for all **Claims** first made against the **Insured** and notified to the **Insurer** during the **Policy Period**;
3. liability to indemnify the **Insured** under Insuring Clauses 1.2 'Public liability cover' and 1.3 'Products liability cover' will not exceed the **Limit of Indemnity (Public and Products Cover)** in respect of any one **Occurrence**; and
4. maximum liability in respect of Insuring Clause 1.3 'Products liability cover' for all **Occurrences** during the **Policy Period** will not exceed the **Limit of Indemnity (Public and Products Cover)**.

Under no circumstances shall the **Insurer** be liable to indemnify the **Insured** under multiple Insuring Clauses in respect of any one **Claim**.

### 3. Insured costs

The **Insurer** will, in addition to the relevant **Limit of Indemnity**, pay **Insured Costs** for **Claims** covered under this **Policy**.

Provided that if the total amount of compensation and claimant's costs and expenses required to dispose of any one **Claim** exceeds the **Limit of Indemnity (iTech Cover)** or **Limit of Indemnity (Public and Products Cover)**, the liability of the **Insurer** for **Insured Costs** shall be only that proportion of them that the relevant **Limit of Indemnity** bears to the total amount of compensation and claimant's costs and expenses required to dispose of the **Claim**.

### 4. Excess

The 'iTech Excess' applies to Insuring Clause 1.1 'iTech cover'.

The 'Public and Products Liability Excess' applies to Insuring Clause 1.2 'Public liability cover' and Insuring Clause 1.3 'Products liability cover'.

If the **Excess** is specified as 'Costs Inclusive' in the **Schedule**, the **Principal Policyholder** must pay the amount of any compensation, claimant's costs and expenses or **Insured Costs** that are collectively less than the **Excess** for any one **Claim**. The **Insurer** has no liability for the amount of compensation, claimant's costs and expenses or **Insured Costs** that are less than the **Excess** for any one **Claim**.

If the **Excess** is specified as 'Costs Exclusive' in the **Schedule**, the **Excess** does not apply to **Insured Costs** but the **Principal Policyholder** must pay the amount of any compensation and claimant's costs and expenses that are collectively less than the **Excess** for any one **Claim**. The **Insurer** has no liability for the amount of compensation or claimant's costs and expenses that are less than the **Excess** for any one **Claim**.

The **Excess** is deducted from compensation, claimant's costs and expenses or **Insured Costs** payable before the application of the **Limit of Indemnity**.

The **Principal Policyholder** must pay the amount of any **Inquiry Costs** that is less than the **Excess** for any one notice. The **Excess** is deducted from **Inquiry Costs** payable before the application of the 'Inquiry Costs Limit' specified in the **Schedule**. The **Insurer** has no liability for the amount of **Inquiry Costs** that is less than the **Excess** for any one notice.

The **Principal Policyholder** agrees that the **Excess** must be borne by the **Principal Policyholder** and is to remain uninsured.

### 5. Aggregation of claims and notices

All **Claims** arising out of, based upon, attributable to or in respect of a single act, error, omission or **Occurrence** or series of acts, errors, omissions or **Occurrences** consequent upon or attributable to one source or original cause shall be considered to be one **Claim** and shall attract one **Limit of Indemnity** and one **Excess**.

For the purposes of Extension 6.11 'Inquiry costs', all notices arising out of, based upon, attributable to or in respect of any one inquiry or hearing shall be considered to be one notice and shall attract one **Excess**.

### 6. Extensions

Each of the following Extensions are only applicable if shown as 'Included' in the **Schedule**.

The Extensions are applicable to all Insuring Clauses of the **Policy**, unless otherwise stated.

The Extensions are subject to all the terms and conditions of the **Policy**, unless otherwise stated.

The total of payments made under the Extensions will be part of and not in addition to the **Limit of Indemnity (iTech Cover)** or **Limit of Indemnity (Public and Products Cover)** and the **Maximum Aggregate Limit of Indemnity**, unless otherwise stated.

### 6.1 Advancement of costs

The **Insurer** will advance **Insured Costs** and **Inquiry Costs** incurred by the **Insurer** or the **Insured** with the **Insurer's** prior written consent as they are incurred.

The **Insurer** may not refuse to advance **Insured Costs** and **Inquiry Costs** by reason only that the **Insurer** considers that conduct referred to in Exclusion 8.2.4 'Dishonest, fraudulent or criminal acts' has occurred, until such conduct is established by a formal written admission by the relevant **Insured** or final, non-appealable adjudication of a judicial or arbitral tribunal (other than in a proceeding brought by the **Insurer**).

If and to the extent that the **Insured** is not entitled to coverage under the terms and conditions of this **Policy**, then the **Insurer** will cease to advance such costs and any amounts previously advanced shall be repaid to the **Insurer**.

### 6.2 Compensation for court attendance

The **Insurer** will pay the **Policyholder** compensation if legal advisers, acting on behalf of the **Insured** with the consent of the **Insurer**, require any **Principal** or **Employee** to attend court as a witness in connection with a **Claim** covered under this **Policy**, but only in circumstances where the **Policyholder** actually pays the **Principal** or **Employee** for his/her time.

Such compensation by the **Insurer** will be at the rate equivalent to such **Principal's** or **Employee's** daily take home salary or wage up to a maximum of \$1,000 per person for each day on which attendance is required subject to a maximum of \$100,000 for all persons for any one **Claim** and in the aggregate for the **Policy Period**.

The **Excess** is not applicable to this Extension.

### 6.3 Contracts limiting or excluding liability

In respect of Insuring Clause 1.1 'iTech cover', the **Insurer** agrees, notwithstanding:

1. Insurance Clarification 1.1.2, 'Contractual liability'; and
2. Exclusion 8.2.14 'Subrogation waiver'

that where the **Insured** enters into contracts with parties for the provision of **Information Technology Services** and/or **Information Technology Products** that may limit or exclude the liabilities of such parties, these provisions in such contracts will not prejudice the **Insured's** right to indemnity under this **Policy**.

The cover provided under this Extension will not apply to any contract, written or otherwise, entered into as a result of a dispute which involves the **Insured** in any way.

### 6.4 Cross liability

In respect of Insuring Clauses 1.2 'Public liability cover' and 1.3 'Products liability cover' the **Insurer** agrees that when more than one party comprises the **Insured**, each of the parties will be considered as a separate and distinct unit and the Definition of **Insured** will be considered as applying to each party in the same manner as if a separate **Policy** had been issued to each of them.

Nothing in this Extension increases the **Limit of Indemnity (Public and Products Cover)** under the **Policy**.

### 6.5 Dishonesty

Notwithstanding Exclusion 8.2.4 'Dishonest, fraudulent or criminal acts', the **Insurer** will indemnify the **Policyholder** against civil liability for compensation and claimant's costs and expenses in respect of any **Claim** first made against the **Insured** and notified to the **Insurer** during the **Policy Period** resulting from any dishonest, fraudulent, criminal or malicious act or omission by any **Employee**, **Principal** and/or any contractor indemnified under Extension 6.10 'Indemnity to contractors' occurring or committed in connection with **Information Technology Services** and/or **Information Technology Products**.

The **Insurer** will pay **Insured Costs** on the basis already set out in this **Policy**.

Nothing in this Extension shall require the **Insurer** to indemnify any **Employee**, **Principal** and/or any contractor indemnified under Extension 6.10 'Indemnity to contractors' who has perpetrated any such dishonest, fraudulent, criminal or malicious act or omission or any **Insured** who by act or omission has condoned any such dishonest, fraudulent, criminal or malicious act or omission.

### 6.6 Excess reduction

Notwithstanding clause 4 'Excess', if the **Excess** is specified as 'Costs Inclusive' in the **Schedule**, and the defence, investigation or settlement of any **Claim** is settled or disposed of without incurring any **Insured Costs**, then:

1. if the **Excess** for the **Claim** is less than \$10,000, the **Insured** will not have to pay the **Excess**; or
2. if the **Excess** for the **Claim** is \$10,000 or greater, the **Insured** will pay the **Excess** less 20%,

but only where the **Insured** has at all times complied with the **Insured's** obligations under the **Policy**.

### 6.7 Extended continuous cover

In respect of Insuring Clause 1.1 'iTech cover', where the **Insured**:

1. first became aware of facts or circumstances that might give rise to a **Claim**, prior to the **Policy Period**; and
2. had not notified the **Insurer** of such facts or circumstances prior to the **Policy Period**,

then Exclusion 8.1.1 'Prior claims or known circumstances' will not apply to any notification during the **Policy Period** of any **Claim** resulting from such facts or circumstances, provided that:

- a. there is an absence of fraudulent non-compliance with the **Insured's** duty of disclosure and an absence of fraudulent misrepresentation by the **Insured** in respect of such facts or circumstances; and
- b. the **Policyholder** had been continuously insured, without interruption at the time of the notification of the **Claim** to the **Insurer**, under a similar information technology liability insurance policy issued by the **Insurer** or any previous insurer; and
- c. but for failure to notify the **Insurer** or previous insurers of such facts or circumstances prior to the **Policy Period**, the **Insured** would have been entitled to indemnity under the previous policy in effect when notification should have been made; and
- d. but for Exclusion 8.1.1 'Prior claims or known circumstances' the **Insured** would be entitled to indemnity under this **Policy**; and
- e. the **Insurer** may reduce its liability under the **Policy** to the extent of any prejudice the **Insurer** may suffer in connection with the **Insured's** failure to notify the facts or circumstances giving rise to a **Claim** prior to the **Policy Period**.

#### 6.8 Extended contractual liability

In respect of Insuring Clause 1.1 'iTech cover', the **Insurer** agrees, notwithstanding:

1. Insurance Clarification 1.1.2, 'Contractual liability'; and
2. Exclusion 8.2.14 'Subrogation waiver'

the **Policy** is extended to cover civil liability for compensation and claimant's costs and expenses in respect of any **Claim** against the **Insured** arising directly from an indemnity or a hold harmless provision of a contract entered into by the **Insured**, provided that such civil liability results from the provision of **Information Technology Services** and/or **Information Technology Products** by the **Insured**.

#### 6.9 Extended reporting period

In respect of Insuring Clause 1.1 'iTech cover', in the event that this **Policy** is neither renewed nor replaced at the end of the **Policy Period** with insurance that covers substantially the same risk exposure as this **Policy**, the **Principal Policyholder** will be entitled to purchase an extended reporting period of 365 days.

The **Principal Policyholder** will not be entitled to purchase an extended reporting period if any **Policyholder** is **Insolvent** during the **Policy Period**.

The extended reporting period begins immediately following the expiry of the **Policy Period** and ends on the earlier of 4.p.m. **L.S.T.** on the three hundred and sixty fifth day thereafter, or at the time on the effective date on which the **Policyholder** obtains insurance that covers substantially the same risk exposure as this **Policy**.

The additional premium for the extended reporting period will be a proportion of the **Full Annual Premium** to be determined by the **Insurer** at the time of purchase. If the extended reporting period ends because the **Policyholder** obtains insurance that covers substantially the same risk exposure as this **Policy** then the **Insurer** will retain a short term premium calculated at the pro rata proportion of the additional premium plus ten percent and the **Principal Policyholder** will receive a refund of any balance of the premium, unless there have been any notifications during the **Policy Period** or the extended reporting period, in which case no refund shall be given.

The entitlement to purchase the extended reporting period lapses upon expiry of the **Policy Period**.

The application to purchase the extended reporting period must be received by the **Insurer** prior to the expiry of the **Policy Period**, and payment of the additional premium must be made to the **Insurer** within thirty days of the same date.

During the extended reporting period the **Insured** may continue to notify the **Insurer** of **Claims**, but only **Claims** based on any act, error or omission committed or alleged to have been committed prior to expiry of the **Policy Period**.

Any notification to the **Insurer** during this extended reporting period will be deemed to have been first notified to the **Insurer** during the **Policy Period**.

#### 6.10 Indemnity to contractors

Notwithstanding Insurance clarification 1.1.4 'Liability for acts, errors or omissions of contractors and consultants', the **Insurer** will indemnify any past and/or present contractor of the **Policyholder** against civil or legal liability for compensation and claimant's costs and expenses in respect of any **Claim** made against such contractor resulting from the provision of **Information Technology Services** and/or **Information Technology Products** for or on behalf of the **Policyholder**.

Provided that:

- a. at the time of any act, error or omission by such contractor giving rise to the **Claim** such contractor:
  - i. had entered into a contract to provide services to or on behalf of the **Policyholder**;
  - ii. was not an **Employee** or a **Principal** of the **Policyholder**;

- b. if the **Insurer** required a declaration of the **Policyholder's** revenue for certain periods of time for the purposes of calculating the **Full Annual Premium** for this **Policy**, whether in the **Proposal** or otherwise, the fees paid to such contractor by the **Policyholder** in those periods of time must not have been deducted from the declaration of revenue furnished by the **Policyholder**; and
- c. such contractor shall be subject to all the terms of the **Policy** as if he or she were an **Insured**. The **Insurer** will pay **Insured Costs** on the basis already set out in this **Policy**.

#### 6.11 Inquiry costs

The **Insurer** will indemnify the **Insured** for **Inquiry Costs**. Provided that:

- a. the request or notice requesting the **Insured's** response or attendance at an investigation, inquiry or hearing before the **Inquiring Body** is first received by the **Insured** and notified to the **Insurer** during the **Policy Period**;
- b. such response or attendance arises directly from conduct allegedly committed by the **Insured** in the provision of **Information Technology Services** and/or **Information Technology Products**;
- c. the written consent of the **Insurer** is obtained prior to incurring **Inquiry Costs**;
- d. the **Insurer** is entitled, at its discretion, to appoint legal representation to represent the **Insured** at the inquiry or hearing;
- e. regular or overtime wages, salaries or fees of the **Insured** are excluded from this indemnity; and
- f. the total liability of the **Insurer** for all **Inquiry Costs** under this Extension will not exceed in the aggregate, during the **Policy Period**, the 'Inquiry Costs Sub-limit' specified in the **Schedule**.

#### 6.12 Joint venture liability

Subject to General Condition 10.12 'Territorial and jurisdictional limits of cover', the **Policy** is extended to cover the **Policyholder's** participation in any joint venture in connection with **Information Technology Services** and/or **Information Technology Products** provided that:

- a. such cover shall only relate to the **Policyholder's** proportion of any liability incurred by such joint venture; and
- b. the **Policyholder's** revenue derived from participation in such joint venture shall have been included in the calculation of revenue furnished by the **Policyholder** for the purposes of calculating the **Full Annual Premium** for this **Policy**.

The **Insurer** will pay **Insured Costs** on the basis already set out in this **Policy**.

#### 6.13 Legal consultation

The **Policyholder** is entitled to up to two hours legal advice from the 'Legal Adviser' specified in the **Schedule** (or their delegate) on any matter related to the risks insured under this **Policy**, except in relation to the scope of cover provided under this **Policy**, or claims, disputes or complaints against the **Insurer**, provided that:

- a. the legal advice is sought during the **Policy Period**;
- b. the **Policyholder** must provide the legal adviser with the policy number, **Policy Period** and name of the **Policyholder**; and
- c. the legal advice is limited to one hour in relation to any particular matter.

The cost of the legal advice is to be paid by the **Insurer** and not the **Policyholder**.

#### 6.14 Loss of documents/data

The **Insurer** will, in the event of the unintentional loss of or unintentional damage to **Documents/Data** occurring in connection with **Information Technology Services** and/or **Information Technology Products**, indemnify the **Policyholder** against all costs and expenses reasonably incurred by the **Policyholder** in replacing or restoring such **Documents/Data** provided that:

- a. such loss or damage is sustained during the **Policy Period** while the **Documents/Data** are either in transit or in the custody of the **Policyholder** or of any person to whom the **Policyholder** has entrusted them;
- b. the amount of any claim for such costs and expenses shall be supported by bills and accounts which shall be subject to approval by a solicitor to be nominated by the **Insurer** with the consent of the **Policyholder** or if such consent is withheld, by the President of the Law Society of whatever State where the **Policy** was issued;
- c. the **Insurer** will not be liable in respect of loss or damage caused by riot or civil commotion;
- d. the **Insurer** will not be liable in respect of loss or damage to **Documents/Data** that are the property of the **Policyholder**;
- e. the **Insurer** will not be liable in respect of loss or damage caused by fading, mould, vermin, pest infestation, wear, tear or any other gradually operating cause.

The **Excess** applies to this Extension.

#### 6.15 Mitigation of loss

In respect of Insuring Clause 1.1 'iTech cover', the **Insurer** will indemnify the **Insured** for the costs and expenses necessarily and reasonably incurred in respect of any action taken to mitigate a loss or potential loss that otherwise would be the subject of a **Claim** under the **Policy** provided that:

- a. the **Insured** first discovers the relevant act, error or omission which would give rise to the loss during the **Policy Period** and notifies the **Insurer** during the **Policy Period**;
- b. the **Insured** provides written notice to the **Insurer** during the **Policy Period** of their intention to take such action prior to incurring any costs and expenses;
- c. the **Insured** obtains written consent from the **Insurer** prior to incurring such costs, such consent not to be unreasonably withheld; and
- d. the total liability of the **Insurer** for all costs and expenses incurred under this Extension will not exceed, in the aggregate, the 'Mitigation of Loss Sub-limit' stated in the **Schedule** for the **Policy Period**.

#### 6.16 Newly acquired subsidiary

If the **Policyholder** acquires a **New Subsidiary**:

- a. that has total annual revenue (by reference to the **New Subsidiary's** most recent financial statements as at the time of acquisition) no greater than 25% of the total annual revenue of the **Policyholder** as disclosed in the **Proposal**, the definition of **Insured** will be extended to include such **New Subsidiary** in respect of any **Claim** first made against the **Insured** and notified to the **Insurer** during the period beginning on the date of acquisition resulting from the provision of **Information Technology Services** and/or **Information Technology Products** by such **New Subsidiary**, but not in respect of any such **Claim** resulting from any act, error or omission occurring or committed prior to the date the **New Subsidiary** was acquired; or
- b. that has total annual revenue (by reference to the **New Subsidiary's** most recent financial statements as at the time of acquisition) of greater than 25% of the total annual revenue of the **Policyholder** as disclosed in the **Proposal**, the definition of **Insured** will also include such **New Subsidiary** in respect of any **Claim** first made against the **Insured** and notified to the **Insurer** during the period beginning on the date of acquisition and ending ninety (90) days thereafter or at the expiry of the **Policy Period**, whichever is the lesser period, resulting from the provision of **Information Technology Services** and/or **Information Technology Products** by such **New Subsidiary**, but not in respect of any such **Claim** resulting from any act, error or omission occurring or committed prior to the date the **New Subsidiary** was acquired.

The **Insurer** may, at its discretion, offer to extend cover for the **New Subsidiary** in (b) above. In order for cover for such **New Subsidiary** to be extended beyond the period stated in (b) above, the **Policyholder** must, prior to the end of that period:

- i. give the **Insurer** written notice of any such acquisition together with such additional information as the **Insurer** may require so that the **Insurer** can exercise its discretion whether or not to extend the cover;
- ii. accept any notified alteration in the terms of this **Policy**; and
- iii. pay any additional premium required by the **Insurer**.

This Extension does not extend cover:

- i. to any **New Subsidiary** that is domiciled or incorporated in the **United States of America**; and
- ii. in respect of the provision of **Information Technology Services** and/or **Information Technology Products** that are not of the same nature as those conducted by the **Insured** and covered under this **Policy** prior to the acquisition of such **New Subsidiary**.

#### 6.17 Principal's indemnity

To the extent that is contractually required of the **Insured** the **Policy** is extended:

- a. under Insuring Clause 1.1 'iTech cover' to indemnify an **Insured's Principal** against civil liability for compensation and claimant's costs and expenses in respect of any **Claim** first made against the **Insured's Principal** during the **Policy Period** and notified to the **Insurer** during the **Policy Period** resulting directly from an act, error or omission committed or alleged to have been committed by or on behalf of the **Insured** in the provision of **Information Technology Services** and/or **Information Technology Products**; and/or
- b. under Insuring Clauses 1.2 'Public liability cover' and 1.3 'Products liability cover' to indemnify an **Insured's Principal** for compensation and claimant's costs and expenses in respect of any **Claim** arising from an **Occurrence** within the **Policy Period** and in connection with **Information Technology Services** and/or **Information Technology Products**.

The **Insurer** will pay **Insured Costs** for **Claims** covered under this Extension on the basis already set out in this **Policy**.

For the purposes of this Extension:

- i. the **Insured's Principal** is liable for all **Excess** amounts due under the **Policy**; and
- ii. the **Insured's Principal** is deemed to be an **Insured** in the Definition of **Claim** and **Insured Costs**; and

# Notices

These notices do not form part of the policy.

## Your duty of disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- ▼ reduces the risk we insure you for; or
- ▼ is common knowledge; or
- ▼ we know or should know as an insurer; or
- ▼ we waive your duty to tell us about.

## If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

## Claims made and notified basis of coverage

Insuring Clause 1.1 'iTech Cover' is issued on a 'claims made and notified' basis. This means that the Insuring Clause responds to:

- a. claims first made against you during the policy period and notified to the insurer during the policy period, provided that you were not aware at any time prior to the policy inception of circumstances which would have put a reasonable person in your position on notice that a claim may be made against you; and
- b. written notification of facts pursuant to section 40(3) of the Insurance Contracts Act 1984 (Cth). The facts that you may decide to notify, are those which might give rise to a claim against you. Such notification must be given as soon as reasonably practicable after you become aware of the facts and prior to the policy period expiring. If you give written notification of facts the policy will respond even though a claim arising from those facts is made against you after the policy has expired. For your information, s40(3) of the Insurance Contracts Act 1984 (Cth) is set out below:

'S40(3) Where the insured gave notice in writing to the insurer of facts that might give rise to claim against the insured as soon as was reasonably practicable after the insured became aware of those facts but before the insurance cover provided by the contract expired, the insurer is not relieved of liability under the contract in respect of the claim when made by reason only that it was made after the expiration of the period of the insurance cover provided by the contract.'

When the policy period expires, no new notification of facts can be made on the expired policy even though the event giving rise to the claim against you may have occurred during the policy period.

## Retroactive date

With regard to Insuring Clause 1.1 – 'iTech cover' only, you will not be entitled to indemnity under your new policy in respect of any claim resulting from an act, error or omission occurring or committed by you prior to the retroactive date, where one is specified in the policy terms offered to you.

## Average provision

If your policy provides for 'Costs in Addition' to the limit of indemnity and if a payment in excess of the limit of indemnity available under your policy has to be made to dispose of a claim, the insurer's liability for costs and expenses incurred with its consent shall be such proportion thereof as the amount of indemnity available under this policy bears to the amount paid to dispose of the claim payments.

## Subrogation waiver

Our policy contains a provision that has the effect of excluding or limiting our liability in respect of a liability incurred solely by reason of the insured entering into a deed or agreement excluding, limiting or delaying the legal rights of recovery against another.
