

Vero Corporate Property Insurance

Corporate Property Insurance

Vero Corporate Property Insurance is designed specifically for medium to large organisations

Our experts understand the special needs involved in insuring corporate property across a number of major industries.

What we insure

Vero insures your property – industrial special risks (ISR) with total declared values of \$5 million plus – including material damage and business interruption combined.

This includes the standard ISR wording plus endorsements negotiated with our clients.

Vero also insures property risks in high hazard industries through Vero Resolution.

Why Vero?

Vero's underwriters have extensive product and risk experience. They price risks appropriately and accurately. Premiums are very competitive.

Vero's specialist property team provides an excellent claims service plus personalised attention adding up to superior client service.

A dedicated Claims First Response Unit is available 24 hours a day, 7 days a week on 1300 888 073.

This superior service is backed by the security and capacity that comes from dealing with one of Australia's largest intermediated insurers.

Leading risk engineering

Vero has one of the largest and best trained teams of risk consultants and engineers in Australia.

They offer a comprehensive range of services to help mitigate the risks affecting your assets and operations.

Vero works with you and your insurance broker to help reduce the risks that your business faces and enable it to respond to problems quickly.

This consultative approach results in clear Risk Improvement and Management programs.

Insured industries include:

Vero Corporate Property Insurance covers a wide variety of industries including manufacturing, mining, infrastructure, storage, engineering, milling, wine and timber industries.

Vero also covers printing, publishing, sporting and recreational facilities, telecommunications, office and retail buildings as well as accommodation, educational institutions, healthcare and religious organisations.
