RM Advancer® 2019

AUSTRALIA'S PREMIER RISK MANAGEMENT AWARDS

Your award for excellence is ready to collect!

Have you been part of a remarkable achievement?

RM Advancer could soon be acknowledging your outstanding risk management performance with a prestigious award. Australia's premier risk management awards recognise the best our nation can offer in outstanding achievements.

As a winner, you will enjoy the fame and publicity that only comes with an RM Advancer Award. You will also benefit from the industry-wide awareness that these premier awards generate.

For over ten years, the RM Advancer Awards have focussed a spotlight on some exceptional risk management achievement case studies from a diverse range of Australian companies – urban and rural, large and small – any Vero or GIO Workers Compensation customer is entitled to enter. All you need is a great risk management story.

Is it a team effort that led to an improved risk culture, disaster-prevention initiatives or an investment in safety that's really paying dividends? Whatever it is, we want to hear all about it.

Ready to share your story? Here's how:

Simply complete a nomination form and submit it to rmadvancer@vero.com.au by 30 August 2019. Nomination forms are on the RM Advancer website at: vero.com.au/risk-management/rm-advancer

RM Advancer Awards are judged as follows:

More than \$100 million annual turnover (x2 awards)

- Commercial (property, machinery breakdown and motor)
- Personal injury and liability (liability and GIO workers compensation)

Less than \$100 million annual turnover (x1 award)

- Small and medium enterprise (all classes of business)

Note: Not for profit, private companies or government entities, please select equivalent category according to the size of the organisation.

Make sure you complete the nomination form prior to 30 August 2019.

Winners will be announced at a gala evening at Ovolo Hotel, Woolloomooloo, Sydney on Thursday 24 October 2019.

As well as the accolades of professionals, peers and the media, each winner will receive **200,000 Virgin Velocity points***.
