Reason for nominating

This section is critical as it is your chance to tell us your risk management story, forming the basis of your nomination.

This is your opportunity to tell your story to our panel of judges by answering the following three questions (refer to our separate judges' tip sheet to better understand what our judges are looking for):

1. What risk management challenges did your organisation face?

(Word limit 200)

2. Describe the work completed to address these challenges.

(Word limit 200)

3. What outcome was achieved?

(Word limit 200)

Please also complete the following four questions which provide supplementary information to allow your nomination to be judged:

These questions refer to the AS/NZS ISO 31000 risk management framework as shown in appendix 1 to this form (below):

4. Mandate, commitment and design of risk management framework:

Describe your risk management framework and how it functions within your organisation. (Word limit 200)

5. Implementing risk management:

What steps have you taken to create a positive risk management culture? (Word limit 200)

6. Monitoring and review of the risk management framework:

How do you monitor, control, protect or manage your risks (especially using innovation and technology)? (Word limit 200)

7. Continual improvement of the risk management framework:

What process do you have in place to drive continuous improvement of your risk management framework? (Word limit 200)
