1. What is a Target Market Determination?

A Target Market Determination (TMD) is a determination that Vero has made to:

- describe the class of Customers this product has been designed for;
- specify product distribution conditions;
- specify TMD review periods and triggers; and
- set out reporting requirements.

This TMD assists Vero staff, our Distributors and Customers in understanding the target market for this product.

In this TMD, distribution includes the following conduct in relation to Customers:

- dealing in the product (e.g. issuing or arranging for the product to be issued to a Customer);
- giving a PDS or other regulated disclosure document; and
- providing financial product advice in relation to the product.

2. What product does this TMD apply to?

This TMD applies to coverage under Part 1 – Loss of or damage to your vehicle and Part 2 – Legal liability of the policy offered in the Comprehensive Motor Policy – smartleasing by smartsalary as contained in Product Disclosure Statement V10124 (PDS) and any Supplementary Product Disclosure Statement (SPDS) that we may issue.

3. What are the key attributes of this product?

4. What is the target market for this product?

This product is designed to be consistent with the likely objectives, financial situation and needs of Customers who:

Eligibility	<p>Customers that require the smartsalary by smartleasing policy</p> <ul style="list-style-type: none">• require a group-style policy that provides cover to numerous third party individuals who require insurance for their motor vehicle(s) (including, but not limited to novated leasing companies);• are engaged in occupations within our acceptable occupations list. <p>For this product, the Customer that requires a group policy is Smartsalary Pty Ltd (ABN 24 096 796 100).</p> <p>Customers that require motor vehicle cover</p> <ul style="list-style-type: none">• have vehicle(s) that meet our underwriting criteria including:<ul style="list-style-type: none">- are located within an acceptable geographic area;- match our list of acceptable makes and models;- are not used for activities such as taxi, ride-sharing, hire-car or carrying passengers for payment or reward.
Customer objectives, financial situation and needs	<p>Customers that require a group policy</p> <ul style="list-style-type: none">• require a flexible, manually underwritten insurance solution with a limited administrative burden. <p>Customers that require motor vehicle cover</p> <ul style="list-style-type: none">• require and seek financial protection for accidental loss or damage to the insured's vehicle(s) due to an accident, theft or any other event not excluded by this product; and• require and seek legal liability cover which provides cover for liability to pay compensation for loss or damage to other people's property arising from the use of the insured's vehicle.

This product is likely to be consistent with the objectives, financial situation and needs of the Customers in the target market because:

- the product provides cover for the types of loss or damage that Customers in the target market are seeking to insure against; and
- the target market for the product covers those Customers who are eligible to receive cover.

5. When will we review this TMD?

We will complete a review of this TMD for this product by no later than the following periods:

- (a) First review period:
2 years after the original date of the TMD.
- (b) Ongoing review periods:
At least every 2 years following the first review period.

6. Other circumstances which will trigger a TMD review

The Review Triggers for this product are:

- if one or more terms of the product are altered and we consider that this alteration reasonably suggests that this TMD is no longer appropriate;
- an event or circumstance occurs that materially changes a factor taken into account when making the TMD that would suggest to us that the TMD is no longer appropriate, such as a change in underwriting requirements;
- the discovery of a material defect in the PDS which reasonably suggests that the TMD is no longer appropriate;
- if feedback, such as significant or systemic complaints or claims issues, is received from a Distributor or Customers who purchased the product, and we consider that this reasonably suggests to us the TMD is no longer appropriate;
- if feedback, regulatory orders or directions received from a regulator, the Code Governance Committee (CGC) or Australian Financial Complaints Authority (AFCA) suggest this TMD is no longer appropriate;
- if a change in law, regulation, or regulatory guidance that materially affects the product design or distribution of the product (or class of products that includes this product) where we consider that this reasonably suggests that this TMD is no longer appropriate;
- where significant dealings outside the TMD occurs, and we consider that this reasonably suggests that this TMD is no longer appropriate;
- if a remediation event relating to this product occurs where we consider this would reasonably suggest that:
 - this product is unsuitable for a particular cohort of Customers; and
 - the TMD may no longer be appropriate.
- if we consider that the claims data for the product reasonably suggests that this TMD is no longer appropriate.

7. What distribution conditions apply to this product?

The following conditions apply to this product:

- this product must only be distributed by an Australian based and appropriately licensed insurance broker (Distributor) with which Vero has an agreement to distribute this product;
- those Distributors who distribute the product are required to be authorised by us to distribute this product and those arrangements must not be cancelled or suspended;
- this product must only be distributed in accordance with this TMD;
- distribution of this product must comply with all of our underwriting criteria;
- distribution of this product must be conducted through our Distributors pursuant to specific channel distribution requirements;
- this product cannot be distributed where this TMD is not up to date and no new TMD has been published; and
- the TMD must be current and not subject to any Australian Securities and Investments Commission (ASIC) action that might suggest the TMD is no longer appropriate.

These distribution conditions make it likely Customers who are issued the product are in the target market because they are supported by reasonably appropriate platform controls and training designed to ensure that the product is distributed to persons within the target market.
